EDUCATION

School of Advertising Art | August 2016–May 2018

Earned my Associate Degree of Applied Business in Advertising Art. The program I completed consists of many elements including photography, illustration, web design, graphic design, and professional development. Graduated as Honors with a 3.88 GPA.

EXPERIENCE

World Digital Imaging Graphic Designer | January 2019–Present

Takes a major role over the wedding stationery portion of the business. Meets with couples to help bring a part of their big day come to life. Prepares files as print ready; runs small print jobs, including most of the wedding stationery suites; processing mailing lists for clients and inputting into postal one; writes jobs up to either print in-house or outsource; and works with customers via face to face, phone, or email daily.

Dirty Helen Paper Co. Extern | May 2018

Created wedding stationery sets alongside the main designer at this established Cincinnati company. Completed nine invitation sets over the course of four weeks. Learned the basics of how the printing press works for letterpress, embossing, and foil stamping. Alongside with designing, also jumped in to help assemble stationery sets.

Freelance Designer and Photographer | May 2016–Present

Create logos, advertising, print projects, business cards, and signs for the following clients: Nate's Nectar, honeybee business located in DeGraff, Ohio; Goshen Friends Church, located in Zanesfield, Ohio; and Huffer Chiropractic, located in Jackson Center, Ohio. Photography opportunities include the following: product and candid shots for Nate's Nectar, senior sports photos/portraits, maternity, engagement and wedding photography for clients.

IHSP Sugarcreek Chiropractic | September 2018–January 2019

Worked as a Chiropractic Assistant, Front Desk Receptionist, and created in-house marketing. Completed the following tasks daily: verifying insurance, scheduling, chiropractic assistant tasks, and communicating to doctors and patients. In marketing, kept a cohesive brand across all digital and print pieces/platforms.
